

Consent 4 Contact

	<p>Research means to look into something to find out more about it.</p>
	<p>Health research looks at ways of keeping people healthy.</p>
	<p>New treatments and information are found through health research.</p>
	<p>Taking part in research is important to find out the treatments that work best.</p>

Consent 4 Contact

	<p>Consent 4 Contact is a list of people who want to help with research. They have said they are OK with being asked about research.</p>
	<p>You can join the Consent 4 Contact list.</p> <p>We will telephone to tell you about research that you might be interested in doing.</p> <p>If you say yes to being on the Consent for contact list, we can contact you about research that you might be able to take part in.</p> <p>If you have a carer, we can speak to them too.</p>
	<p>We will not share your information with people who do not need it.</p>
